

Town of Scituate
Invitation to Bid
Concrete Slab/Floor
Bid 20190628-2

The Town of Scituate will receive sealed Bids to install radiant heat (rough in) under a 30 foot by 30 foot concrete slab/floor at the Scituate Animal Shelter on 106 George Washington Hwy, Clayville, RI 02815.

Sealed Bids will be received by the Owner , no later than July 10, 2019 at 12:00PM at the Office of the Town Clerk, 195 Danielson Pike, North Scituate RI 02857. The Bid must clearly note on the outside of the envelope "Animal Shelter - Radiant Heat".

Interested parties may inspect the site if necessary to further facilitate the submission of their Bid.

Bidders should include manufacturer specifications for proposed system/products being proposed..

No Bid may be withdrawn for a period of sixty (calendar) days subsequent to the date of the Bid Opening.

Bidders are required to comply with all State of Rhode Island statutory requirements, including Prevailing Wage requirements.

The successful Bidder will be required to provide a Certificate of Insurance, confirming General Liability and Workers Comp (if required) coverage before the contract is awarded.

The Town of Scituate reserves the right to waive informalities and to reject any and all proposals.
