

Town of Scituate
Fire Department
Refurbishment of Potterville Tanker Truck 51

The Town of Scituate is requesting proposals from qualified bidders for the refurbishment of Tank Truck 51

Bid specifications are available at Scituate Town Hall, 195 Danielson Pike, North Scituate, Rhode Island and online at Scituateri.org

Sealed bids will be received at the Town Clerk's Office, 195 Danielson Pike, North Scituate, Rhode Island until 2:00 p.m. prevailing time on November 9, 2018, at which time all bids will be opened publicly in the Council Chambers.

The Town reserves the right to reject any and all bids, or parts thereof, and waive any irregularity in the bids received, and to accept the bid, or parts thereof, deemed to be the most favorable to the best interest of the Town.

Margaret M. Long
Town Clerk

RFP Proposal for Refurbishment of Potterville Tanker 51

The Town of Scituate is requesting proposals from qualified corporations for the refurbishment of our Tanker Truck 51.

Request for Proposals:

Vendor must be a Corporation doing business under the name for at least 20 years

Vendor must perform all work at said service center; moving vehicles to sublet vendors for work will not be acceptable

Visitation will be allowed at any time during the project by any authorized member of the Potterville Fire Department or Scituate Town Council.

Vendor must be capable of 24 hour / 7 day a week emergency service

Vendor must have certified welders, master EVT and ASE technicians.

Transportation of Tanker 51 is the Vendors responsibility to and from.

Vendor must be within 115 miles of the Potterville Fire Department

Items for Refurbishment:

1994 HME/ 4 Guys Tanker

Refurbishments requested:

Roof Top Air Conditioner

Body work / paint, stripping & lettering to match Engine 52

Chassis corrosion repairs

Poly Tank – 2,000 gallons

Replace door panels / reupholster seats

Replace Radiator (per town mechanic)

Updated Dump Chute / Electric Valve

New storage at front of hose bed

Create a cover for the drop tank frame

Rebuild direct tank fill at rear of Tanker

Update all lighting to LED

Install an aluminum bulkhead to the front of the hose bed

And any other repairs deemed necessary, for the safe operation of Tanker 51

Warranty:

All parts and workmanship will carry no less than a one-year warranty

All paint and lettering will carry a two year warranty

Some parts suppliers carry an extended warranty for parts only. These warranties will be given for the department's future needs and records
