

A note from Council President Mahoney:

Residents of Scituate,

As we begin to settle into the new year and a new Town Council, I would like to take a moment to address some concerns that have been brought to my attention. As with most things in life, change often brings concern and fear, which sometimes can lead to rumors. I would like to explain to everyone some of our plans in an effort to help dispel some of these apprehensions. There seems to be a lot of concern with the senior freeze and the veteran's deductions. As a representative of the council, I have no intention of removing the senior tax freeze or eliminating tax deductions for our veterans. As a matter of fact, we intend to work our best to increase these benefits. I as Council President, want to do what is best for our town. I urge any resident with worries to please contact me or attend our meetings. I want to be transparent and want to hear your concerns.

Thank you,

John F. Mahoney,
Town Council President
