I understand that shelter animals have unknown medical backgrounds, and that Scituate Animal Control cannot guarantee the health or behavior of an adopted animal. I understand that cats need regular vaccinations, de-fleaing and de-worming, and that the average life expectancy of an outdoor cat is significantly less than that of an indoor cat. I understand that Scituate Animal Control has the right to deny any application, and that Scituate Animal Control reserves the right to confiscate an adopted animal if any information on this application is found to be false.
